Chapter 1 by Taylor

Today I going to my new school, I wish I was still in florida it's so much better there I have friends and I had a boyfriend Kay. Here in LA, I'm a lost and alone girl in a new school. I decide to wear the best out I have, To make a good first impression. I picked out my black lulu lemons with the mesh on the bottom, grey tight lulu lemon top, with my bright white new converse's. As I was walking out to my black shiny jeep I saw a handsome, hot kind of figure across the street he was jumping into his bright red viper and heading out as he pulled out of the drive way, he waved. Thinking that he was waving to me, I waved back. Realizing that I was a fool and that he was waving to the girl that lives two doors down. I quickly jump into my car and drive away as fast as possible.
